UNCONVENTIONAL & UNEXPECTED

There's a lot to be said for simple, timeless, elegance. Never out-shone, never out-moded and never out-of- place; these handles with their gentle curves and enticing, tactile design will confidently turn heads in any interior.

BUILT FOR YOU.

Planning and executing interiors of your dream home or office is always tough, with sweet confusions attached to it.

Here are the offerings that are tough to handle! Yes, encouraged with heart-warming response to 2013 our collection, we have moved a step further and developed entirely new and vibrant collections of knobs and handles. The pages ahead will help you dive into a world of exclusive creativity, encapsulated in uber luxurious shapes, finishes and materials.

Envisaged by creative minds and crafted by experienced and skilled craftsmen, each of the collections offers you ample choices of knobs and handles to suite your decor. While designing these masterpieces, we have two aspects in the focus, unmatched functionality and brilliant style. As you will see, we have paid full attention to the ergonomics for each of the handles, to ensure they serve the very purpose they are made for. With that, they are able to easily match the interior requirements and create a comprehensive feel of elegance.

Playing with different types of materials and textures for mesmerizing designs, we have achieved a fine balance between time-tested insights and advanced cutting edge technology.

PRECISION AND PERFECTION FOR PRAGMATIC RESULTS

The Tunes Collection is crafted to match the interior effortlessly, while adding a touch of elegance and exclusivity.

Brilliance comes in many shapes and styles.

We know the hard work you have put in while planning and designing your interiors. Be it an elegantly designed drawing room or a close-to-heart bedroom or a sophisticated office suite, the decor requires equally graceful knobs and handles to create the desired impact.

At Tunes, while envisaging our products and giving them final touch, we pay attention to the current interior trends and architectural needs to create collections that can easily gel with the surroundings.

Our collections come in a wide range of shapes, finishes and styles. On one hand it makes your selection a bit difficult, but at the same time, it offers you unmatched ease to get the best and most appropriate for your interior.
