# You'll look up with gratitude.

Life is now a lot easier, thanks to Bosch Chimney's thoughtful features.

### Self-Clean Technology

Cleans itself with just a click of a button. The interior heats up and dissolves the accumulated grease, which flows down into an easily detachable tray.

### Self-Clean Reminder

No need to remember next cleaning schedule with Self-Clean Reminder that indicates when the chimney needs cleaning.

### Smart Motor Technology

Experience with a powerful motor coupled with the Archimedean Air principle that provides higher suction with lower noise along with lower energy consumption.

### Booster Mode

Perfect for Indian cooking, with maximum ventilation whilst heavy cooking like deep frying puris, tempering dal, shallow frying tikkis, roasting meats, etc.

### Delayed Shut off

This extracts the leftover smoke and automatically turns off the chimney in 10 minutes, leaving your kitchen fresh and clean.

# No matter what's your cooking style, True Brass Hobs can take on anything.

Presenting True Brass Hobs  
with intense and even flame  
for Indian Cooking.

### TrueBrass 3D

Made from pure with 3 flame rings that come with precision flame control that enables easy usage. The internal flame helps to simmer food and for full capacity intense cooking, all 3 flame rings are initiated.

### Intense Blue Flame

The blue flame renders complete combustion where right amount of cooking gas comes in contact with sufficient levels of oxygen. Leading to food being cooked evenly at any flame setting.

### Flame Failure Safety Device

It detects if the gas is on, even though the flame is off and automatically cuts off the gas supply. Bosch's hobs provides this safety feature in all the burners.

### Zero Leak Design

Our best in class Bosch Hobs are engineered with a fully sealed burner base that does not allow any food and liquid particles to get inside the body. Thereby ensuring no blockages.

# The power of fire. The precision of Bosch.

Traditionally, gas cooktops offer inexact power settings. There are no clearly defined increments, particularly at intermediate levels of heat such as medium-low, or medium-high. But gas cooktops from Bosch with FlameSelect technology offer a completely new level of precision.

### Flame Select Valve

Bosch FlameSelect valve technology give you precise control over each hobs flames with nine different settings as per cooking requirement, giving you complete control over your cooking without the guesswork.

### High Power Wok Burner

Bosch premium hobs comes with a powerful Wok Burner of 6KW of power to ensure Intense Indian cooking can be carried out without breaking a sweat!

### Flame Failure Safety Device

It detects if the gas is on, even though the flame is off and automatically cuts off the gas supply. Bosch's hobs provides this safety feature in all the burners.

# The next level of cooking.

With the new Serie 8 ovens, even the most demanding dishes are cooked to perfection almost automatically. The reason for this is our range of sensor-controlled functions. If you wish, they will constantly measure the progress of your dishes and automatically adjust the oven's settings. This guarantees you perfect results, just like from a professional chef – with a minimum of effort.

## Steam Function Plus

Gives you the perfect crust on the outside and fluffy inside. Vegetables cooked with steam stay crunchy and retain not only their natural aroma, but also vitamins and nutrients.

## PerfectBake Plus

Thanks to Artificial Intelligence and the Baking Sensor measuring the humidity inside your oven you can see how many minutes are left until your dish is ready to serve.

## PerfectRoast Plus

Through several highly sensitive measuring points, the meat probe determines the core temperature to exact degree and second and guarantees the perfect roasting results

## Air Fry Function

Now prepare your own snacks or grill dishes by simply placing sliced potatoes or other vegetables on the Air Fry and Grill tray with almost no oil.

## TFT Touch Display

Additionally, you are supported by a high-resolution TFT Touch Display: Clear, vivid images and info texts take you through each step as you navigate the Programme options.
