WE ARE SAMARPAN LAMINATES

samarpan meaning in sanskrit (bhagwat gita)
नियतं कुरु कर्म त्वं कर्म ज्यायो ह्यकर्मणः ।
शरीरयात्रापि च ते न प्रसिद्ध्येदकर्मणः ॥३-८॥

Samarpan Laminates is a leading manufacturer of decorative laminates based in Morbi, India. With a strong commitment to providing the finest range of high-pressure and compact laminates, Samarpan offers two product ranges, 'Finoble' and 'FineTouch', to cater to the diverse taste and affordability of its customers. The company's expert management team has successfully embraced sustainable design solutions, and its motto of 'Dedication' reflects its dedication to providing the best products to its clients.

Samarpan's vision is to build a corporate image as an ecologically, socially, and environmentally conscious company in the luxurious laminates industry, while also offering better opportunities for employee growth and welfare.

COMMITMENT TO QUALITY AND SUSTAINABILITY CERTIFICATIONS AND MEMBERSHIPS

Finetouch's commitment to quality and sustainability reflects through these certifications. The brand has received several prestigious certifications, including the Indian Standard Institution and ISO 9001:2008. Finetouch is also a proud member of the Indian Green Build Council, further emphasizing its dedication to sustainable practices. These certifications showcase Finetouch's emphasis on quality, reliability, and eco-friendliness, making it an excellent choice for customers like you who prioritize these values.

THE BRAND PROMISE

REVOLUTIONARY DESIGN CONCEPTION

We are consistently on the look for the finest trends, the latest styles and a few designs that never go out of fashion. We keep up with the changing times and we bring the designs that leave a mark. When it comes to conceptualizing unique designs, we are the trendsetters and first movers.

ECO FRIENDLY MANUFACTURING PRACTICES

Manufacturing laminates is a complicated affair. There is an involvement of complicated chemicals and several complex processes. However, our new-age manufacturing standard ensure completely environmentally stable as safe practices and protect you and the environment.

ETHICAL BUSINESS PRACTICES

Over the past years, our customers have trusted us as a result of the business practices that we follow. Our commitment to the consistent delivery of supplies as per the need of our customers is what makes us different and we are proud to have business relationships that are rooted in trust.

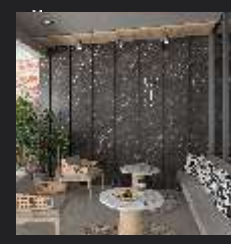

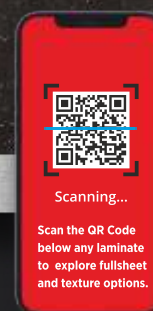

more powerful interfaces for ease of selection

One touch PDF

The One touch PDF of individual products not only provides easy accessibility and portability, but also enables you to view and share all available textures and full sheets with others, regardless of their location or device, making it a versatile and practical option for your needs

Our digital platform helps you access information on the laminate of your choice easily, without unnecessary information in the way

2 3 2 4 EDITION

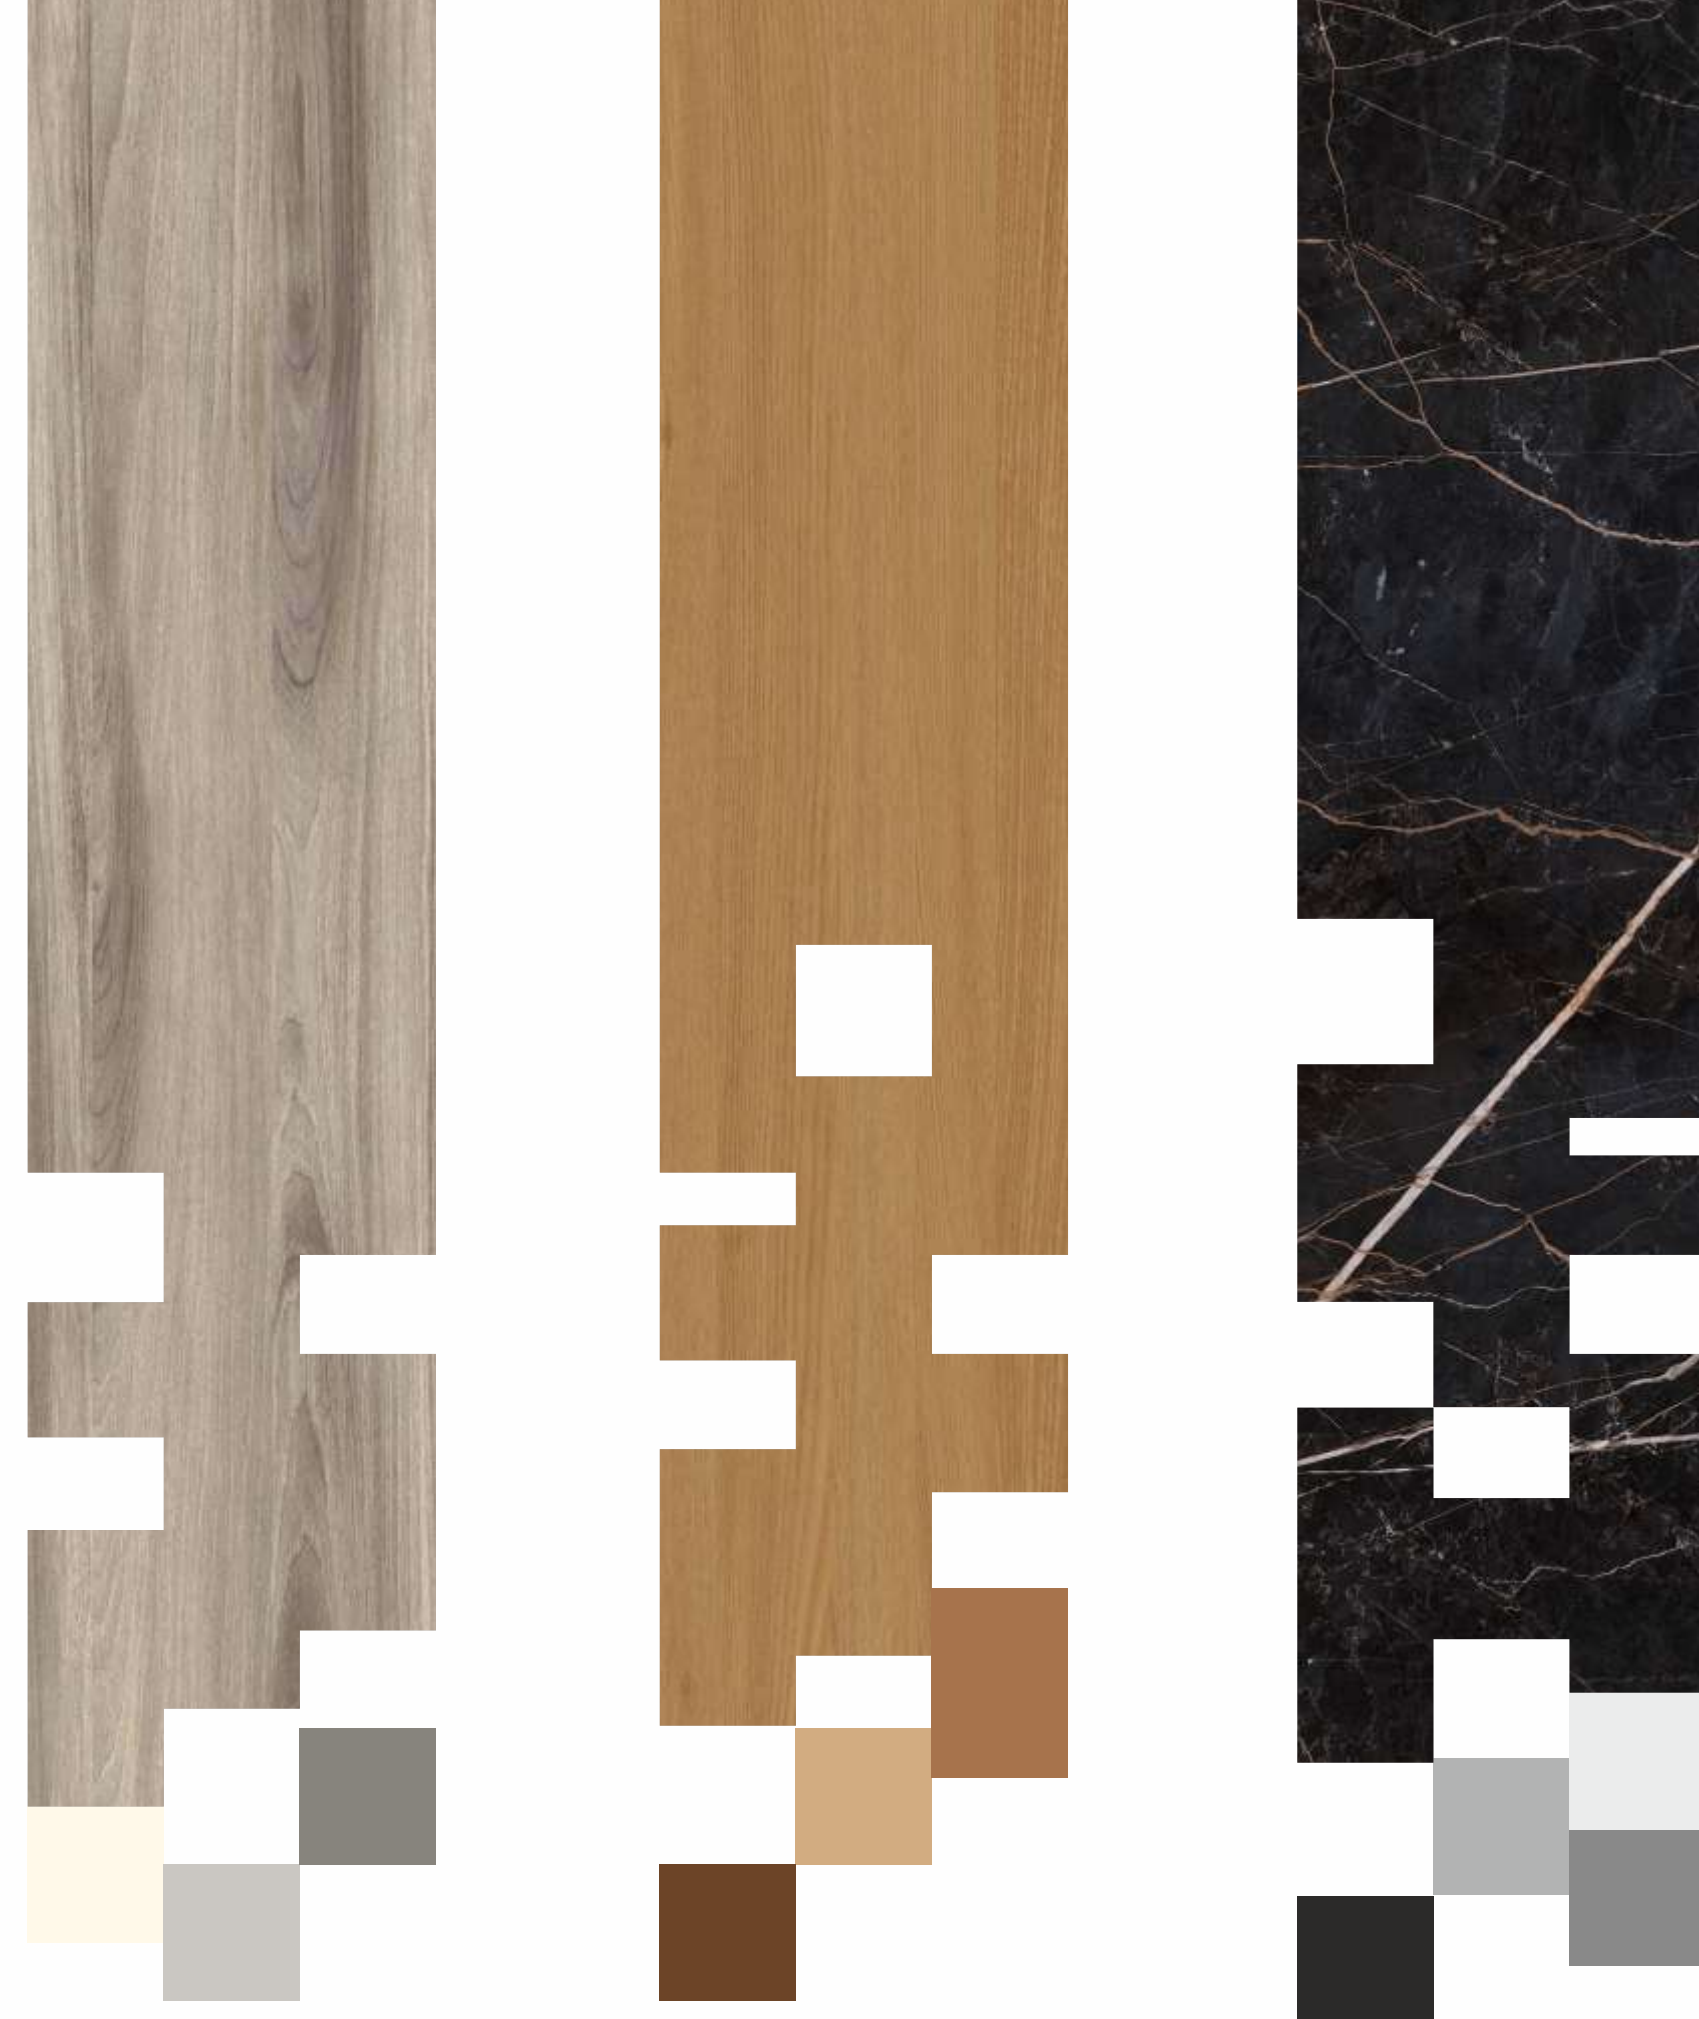

We are excited to present our latest laminate collection, the 2324 edition, which boasts a meticulously curated selection of designs that blend the latest trends with timeless classics. From a diverse range of color palettes to unique textures and non-repeating patterns, this collection has it all. Whether you're a homeowner or an interior designer, our 2023 - 2024 collection is the ultimate source of inspiration for all your laminate needs.

360° PRODUCT STUDIO

Our 360-degree product view is an innovative feature that provides a truly immersive experience for our customers, allowing them to view and interact with our laminates in a realistic way. With this technology, you can explore every angle of models, change the products and detail of the product, giving you a better idea of how it will look and feel in real life.
